Explanation of agreement types

16: Service expenses
Expenses reimbursed within the context of a service agreement, such as travel or accommodation costs.

17: Service fee (Honorarium)
The fee paid for services rendered, for example consultancy activities, participation in advisory boards, or speaking engagements.

21: Sponsorship of a meeting
Sponsorship of a meeting where the organiser is a collaboration of healthcare professionals (for example a scientific association).

22: Sponsorship of a project
Sponsorship of a healthcare organisation for the execution of a project aimed at improving patient care, advancing medical science, supporting medical research, or otherwise promoting education and/or information.

23: Hospitality compensation
Compensation (in cash or in kind) of travel, accommodation and registration costs for individual healthcare professionals.
